CHIEF EXECUTIVE OFFICER

To
The Managing Director /
Chief Executive Officer /
Superintendent of all the
hospitals empanelled under
Aarogyasri and EHS., in
the State of Telangana.

Letter No. 96-1/F25/2015, Dated: 24-07-2015.

Sir,

Sub: Aarogyasri Health Care Trust – Notice issued by the Aarogyasri Field Staff of Telangana Districts to go on strike from the midnight of 24-07-2015 – Alternative arrangements to provide uninterrupted services to the beneficiaries under Aarogyasri and Employees Health Scheme - Regarding.

....

It is to inform you that the outsourced Aarogyasri Filed staff of Telananga Districts have given a notice to go on strike from the midnight of 24-07-2015 unless their demands are met before that date. The Trust made all efforts to dissuade them from going on strike by assuring to take appropriate action on their demands. In spite of that, the Association declared to go on strike from the midnight of 24-07-2015.

2. In order to ensure uninterrupted services to the beneficiaries under Aarogyasri and Employees Health Scheme, the Trust has decided to enable the Hospital MEDCO of the network hospital to register the patients and forward preauthorizations in MEDCO login through the additionally provided NAM as Switch role. Thus, the MEDCO can perform the roll of NAM for registration of patients and forwarding preauthorizations under both Aaroyasri and Employees Health Scheme. While discharging patients, the DM or DC may be included in the discharge photograph in place of NAM. The same procedure may be followed for 'follow up' cases also. Telephonic intimations may also be made by the MEDCO in emergency cases and CMCO cases. The Hospitals may kindly ensure that Aarogyasri patients are not converted into cash patients in the above process.

3. It is requested that the network hospitals may extend full cooperation to the Trust in providing uninterrupted services to the beneficiaries under Aarogyasri and Employees Health Scheme.

Yours faithfully,

Sirajiw Rahman
