Sir,

Sub: Opening of a new bank account for EHS operations - reg  
Ref: Lr. No.Spl/Arogyasri/AH/NRPM/2014 Dt: 11.09.2014

1. The attention of NWHs are invited to the captioned subject and it is to inform you that the Guidelines to open new bank account for receipt of EHS claims are as follows:

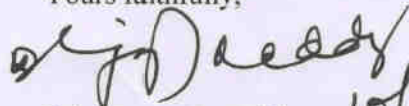

I. RAS and EHS are two different schemes hence separate bank account has to be opened for EHS, for receipt of claim amounts for administrative convenience, easy reconciliation of accounts and for better tracking of the funds etc.

II. The NWH has to submit EHF declaration requesting for activation under EHS in consultation with District Coordinator for activating the hospital under EHS scheme. The Trust will be providing EHS Medco login, password to providing treatment to the employee EHF beneficiary and later the hospital has to submit SCA relevant to Employee Health scheme.

III. The NWH has to raise a change request through Medico login in online duly informing the Bank account No, bank account holder name, name of the bank & branch, IFSC code etc., along with copy of the passbook, cancelled cheque leaf and an affidavit.

2. Hence it is request you to follow the Guidelines to receive EHS claims.

Yours faithfully,

  
Chief Executive Officer. 10/12/14
